Product Information

The RS-5-LEDC-PR 5in LED Conversion Lens is a high-performance lighting solution designed to replace traditional 5-inch sealed beam headlights with advanced LED technology. This conversion lens offers efficient illumination, energy savings, and a modern aesthetic for an enhanced driving experience. Race Sport Lighting offers this simple sealed beam LED conversion as a direct replacement for 5" H4 lenses. Great for an upgrade to a classic car! • Replaces H5006 headlamps • Features high intensity 3W High Performance LEDs • Waterproof, sealed, and extremely durable • Perfect for replacing low output simple halogen sealed beams with more effective, efficient, and powerful LEDs • Plug-&-Play design • Factory H4 plug with hi/lo beam function • Sold In Pairs • 1 Year Warranty
