

INSTRUCTION SHEET FOR SET#'s 4.3119, 4.3121, 4.3124, 4.3133

1131 VIA CALLEJON, SAN CLEMENTE, CA 92673

It is recommended that if you are unfamiliar with this type of work that you refer to a qualified service center specializing in this type of work. It is also recommended that if you choose to do this work yourself that a factory service manual be obtained for the proper procedures pertaining to removal, replacement and proper torque specifications for your vehicle. This instruction set is intended as a guideline for the safe installation of Energy Suspension's Polyurethane.

Except for set 4.3133, you must reuse your metal shell that is pressed into your I-beam, do not damage this shell.

For set 4.3124, the round thrust washer #3168 will fit around the oval bushing.

Remember to thoroughly coat the polyurethane bushing, the shell I.D., and the sleeve with grease. (All surfaces that contact with metal)
