

PUTCO'S PURE LED DUALY FENDER MARKER LIGHTS INSTALLATION INSTRUCTIONS

- | | | | |
|----------|--|---|---|
| 1 | Locate inner fender well plastic and unfasten to allow entry into the fender marker light area.
 | 2 | Reach arm through fender well and push light out.
 |
| 3 | Remove lens that covers bulb.
 | 4 | Remove bulb.
 |
| 5 | | Install the PURE LED Fender Marker light plug into the existing socket. Remove the backing from the tape on the back of the fender marker light and position light into place. NOTE: Before taping the light into place, make sure the installation area is free of dirt and oil.
