* All vehicles that use the Custom 1106, 1107 or 1108 adapters can also use the 1101 Universal Round Adapter.

** Adapters 1109 and 1100 are interchangeable. The 1109 is the latest version with new enhanced features. See description in product listing.

***We have come across some VW Bus from the 60s that use the 1100. Please measure the ID of the reservoir. If it is 1 3/4" please order the 1100.

This is not an exhaustive list; our adapters may fit vehicles not listed here. If you do not see your vehicle, please call us at 877-59-BRAKE. We also are looking for owners of cars not listed that are in the SF Bay area that are willing to allow us to test fit a cap in return for a discount.
