

THANK YOU FOR SELECTING A HUSKY FLOOR LINER FROM WINFIELD CONSUMER PRODUCTS

CARE AND USE INSTRUCTIONS

Your new floor liners are custom molded to fit your Nissan Rogue. The liners are made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liners are made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liners is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

INSTALLATION INSTRUCTIONS FOR YOUR NISSAN ROGUE FRONT SEAT FLOOR LINERS

THE FACTORY CARPET HOOKS LOCATED IN THE CARPET OF YOUR ROGUE CAN BE EASILY REMOVED TO ALLOW YOUR LINER TO LAY COMPLETELY FLAT. TO REMOVE, APPLY FIRM PRESSURE WHILE LIFTING THE END OF THE HOOK ARM STRAIGHT UP.

TO EASE INSTALLATION OF YOUR FLOOR LINERS, POSITION BOTH FRONT SEATS TO THEIR MOST REARWARD POSITION (SO AS TO GIVE THE MOST LEG ROOM). ONCE LINERS ARE INSTALLED, REPOSITION SEATS AS DESIRED.
