

K&N Filtercharger[®]

P/N 62-1180, 62-1190, 62-1200

Congratulations, you have purchased the finest air filter assembly that money can buy. With proper care, this assembly will last for many years. This assembly is a remote mount vent filter, designed for large displacement racing engines, that need maximum crankcase breathing filtration. The following procedure **MUST** be followed to ensure a proper fit and seal of the K&N Filtercharger[®].

These filters are legal ONLY for racing vehicles. Not applicable, nor intended for use on emission controlled street or highway vehicles. These filters are not applicable, nor intended for use on aircraft.
