

INSTALLATION INSTRUCTIONS

Part Number E-9260

This filter fits: **See current catalog for applications**

FREE K&N DECAL** To register your warranty, please see us online at knfilters.com/register. **FREE K&N DECAL

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter is a direct replacement for the stock air filter, and no modifications will be required. However the following procedures **MUST** be followed to ensure the proper fit and seal of the K&N Filtercharger®.

1. Remove the dirty air filter from the air filter housing.
2. Wipe out any dust or dirt from the air filter housing.
3. Using the supplied tube of air filter grease, liberally apply a coat of grease to the inside perimeter of the air filter on both ends. See Fig 1.
4. Install the K&N FILTERCHARGER into the air filter housing and re-install the air filter housing cover.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
