

# INSTALLATION INSTRUCTIONS

Part Number HA-6087, HA-6091, HA-7587, HA-8088

**This filter fits:** SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

## INSTALLATION

1. Remove the stock air filter.
2. Remove the o-ring from the groove of the air box base. (Fig. 1)
3. Remove the o-ring from the groove of the air box lid. (Fig. 2)
4. Install the K&N Filtercharger® into the air box base groove.  
**Note:** The K&N Filtercharger® will only fit one way. **DO NOT FORCE THE AIR FILTER!**
5. Carefully work the air box lid over the K&N Filtercharger® making sure it is completely seated.
6. Tighten the air box lid screws to the manufacturer specifications.

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
