3. Loosely install tie rod bracket using u-bolts, nuts and washers provided. (Bracket "B")
4. Attach body end of stabilizer to main bracket and other end to the tie rod bracket.
5. Extend stabilizer shaft out 4"(exactly half way) and mount in place. Rotate tie rod bracket as needed to obtain best position. Tighten all nuts securely on bolts and u-bolts at this time.
6. Rotate tires left to right and check all hardware for clearance. Re-tighten after the first 100 miles and periodically there after.

Note: Models with front sway bar will need to move bracket "A" back (away from sway bar) until clearance of sway bar is obtained.

JESUS CHRIST DIED FOR YOU

John 3:16

For God so loved the world that He gave His only Son, so that everyone who believes in Him should not perish, but have everlasting life.

Romans 3:23

For all have sinned; all fall short of God's glorious standard.

Psalms 18:2

The Lord is my Rock, my fortress, and my savior; my God is my Rock, in whom I find protection. He is my shield, the strength of my salvation, and my stronghold.

STEPS TO ACCEPTING JESUS CHRIST AS YOUR PERSONAL SAVIOUR

God, I come to You admitting I have sinned against You and I need you to take control of my life. The Bible says anyone who calls on the name of the Lord will be saved. I am calling on You, Jesus. I ask that You come live in my heart and be the Lord over my life today. I do believe You died on the cross for me and came back to life to give me life!

Romans 10:9-10 says that if I confess with my mouth that Jesus is Lord and believe in my heart that God raised Him from the dead, I will be saved. Because it is by believing in your heart that you are made right with God, and it is by confessing with your mouth that you are saved.

Thank You, Lord Jesus for a new life in You!
Now, go and tell somebody about your
new life in Jesus.
