Harmonization Code 8512.20.2080 Universal YES Life Expectancy 50,000 hours

SEMA Product Trailer Wire Converter Part Type ID 10458

Reverse Polarity Trailer Wire Converter Operating Voltage N/A Current Draw 40-Amp

Wattage Chip Type IP Rating LUX IP66

Kelvin (ColorTemperature) Universal or Vehicle Specific Universal

Made In US Warranty 1 year Lumens Beam Pattern

Product Information

Introducing the Race Sport Lighting Heavy Duty Plug N Play 7-Pin Power Pass Through Upfitter Auxiliary Round Trailer Harness: Your Gateway to Unmatched Trailer Control! Power your trailer with your Upfitter Switches on demand ! Just unplug your hitch harness from the back of your bumper plug , plug the Heavy Duty Plug N Play 7-Pin Power Pass Through Upfitter Auxiliary Harness inline between the bumper plug and the vehicle harness, connect the 25 foot 10 Gauge wire to an upfitter switch in the front of the vehicle and have instant on/off auxiliary control to your trailer! IMPORTANT - This system is not portable and/or does not plug n play on the exterior of the vehicles to the trailer plug receptacle! Installation involves going behind the bumper on your vehicle and goes between the vehicle harness connector and the back connector of the bumper 7-pin center. The 25' harness of 10-AWG wire then runs up to the vehicles upfitter upfitter switch center or fused auxiliary switch in your tr
