Part # 972 – Factory K-Member Mounting Hardware Kit 1982-1992 GM F-Body Camaro & Firebird

USE OF THIS PRODUCT IS ACCEPTANCE OF SELLER'S DISCLAIMER OF WARRANTY!

By their very nature, competition components are constantly pushed to their limits. While our components are designed to withstand intense race conditions, it is impossible to control the quality of installation or the varying conditions in which they are used. It is for this reason that absolutely no warranty or guarantee is either written or implied. Neither the seller nor the manufacturer will be liable for any loss, damage, or injury – direct or indirect – arising from the use of or inability to determine the use of any product. Before using, the user should determine the suitability of the product for its intended use, and the user shall assume all responsibility in connection therewith. Spohn Performance, Inc. makes no guarantee as to the legality for any specific class. Spohn Performance, Inc. makes no claims, nor does it intend its products to be used in street driven vehicles. Spohn Performance, Inc. reserves the right to make changes in design or add to or improve on their product without incurring any obligation to install the same on product previously manufactured. The Buyer agrees to indemnify and hold Spohn Performance, Inc. harmless from any claim, action or demand arising out of or incident to the Buyer's installation or use of products purchased from Spohn Performance, Inc.

INSTRUCTIONS

The two (2) shorter flanged head bolts go on the rear mounts of the k-member and the four (4) longer hex head bolts and flat washers go to the front four mounting locations.

Hex Bolt Wrench Size: 19 mm

Flange Bolt Wrench Size: 16 mm

Torque Value: 86 ft./lbs.

Fitment Notes: This mounting hardware kit will NOT work with a Spohn Performance SKU 703 tubular front k-member. Our tubular front k-members include the required mounting hardware (that is shorter than stock). This k-member hardware kit is for mounting a factory k-member and/or aftermarket k-members that mount using factory length mounting hardware.
