INSTALLATION:

1. Ensure rear cargo area is clean and free of obstacles before installing.
2. Place your MOPAR ACCESSORIES cargo tray into the rear cargo area of the vehicle.

CARE AND CLEANING:

1. To wash, remove tray from vehicle and use hot water and a mild soap.
2. DO NOT USE high pressure sprayers which can damage the tray if held at close proximity.
DO NOT USE spray protectant that will make the surface slick and reduce the skid resistance of the tray.
