Billet Grille Overlay - 2 Pc (Laser Cut)

TOOLS REQUIRED:

Screwdriver

PARTS LIST

- (2) Billet Grilles
- (2) 2' Flange Offset
- (2) #8 U-Nuts
- (2) 2' Screws

Step 1

Place #8 U-Nut through the 2' Flange Offset as shown in Fig. 1

Step 2

Place the 2' Screws through the hole on the billet Grille and have the 2' Flange hooks facing towards the grille shown in Fig. 2

Step 3

Once the 2' Flanges hook on the factory grille. with another screwdriver or anything that will go through, tweak the Flanges and hold them in place then start to tighten the 2' Screw shown in Fig. 3

Installation Complete
