Monday-Friday 8:00 a.m.- 5:00 p.m. (Central Standard Time)
Contact your PUTCO dealer for other quality accessories. **PUTCO Inc. - 216 West First Street - Story City, Iowa 50248**

Please read all instructions before beginning installation and be sure to check to see that all parts and hardware are included.

Parts List

Description	Qty
Front Driver Bracket (#1966)	1
Front Pass Bracket (#1967)	1
Rear Driver Bracket (#1968)	1
Rear Pass Bracket (#1969)	1
1/2" x 2" Hex head bolts (#00738)	4
1/2" Flat washer (#775)	4
1/2" Lock washer (#783)	4
Bolt Plate (#1965)	10
2" x 2" Square (#1964)	10
3/8" Flange Nut (#789)	10

Tools Needed for Installation

3/4" Socket

9/16" Socket

Note: Instructions and figures are for the Driver side.

Step 1: Remove the two front oval shaped rubber plugs and the last oval shaped rubber plug or tape from the inner wall of the rocker panel. **(see figure 1)**

Step 2: Place a 2" x 2" square **(#1964)** on to each of the bolt plates **(#1965)**.

Step 3: Next put a bolt plate into each one of the oval shaped holes that you removed the plugs from. The 2" x 2" square will keep the bolt plate from falling through the hole during installation. **(see figure 2)**

Step 4: There are two square shaped holes in the floor of the vehicle. One at the front and one at rear, install a bolt plate in each of these holes. **(see figure 1)**

Step 5: Put the front and rear brackets into place so that the bolts on the bolt plates are sticking through the mounting holes. Secure into place using the 3/8" flange nuts. Finger tighten only. **(see figure 1 & 2)**

Step 6: Attach the boss bar to the brackets using a 1/2" x 2" Hex head bolt, flat washer, and lock washer at each end. **(see figure 3)**

Step 7: Tighten all nuts and bolts

Repeat steps 1 through 7 for passenger side

Note: PUTCO recommends applying a high quality automotive wax to maintain the original appearance on your new Boss Bars.

INSTRUCTION # IN46133-August 2002

LIMITED WARRANTY

Putco guarantees it's Stainless Steel and Aluminum products against defects in workmanship and material for as long as you own your vehicle. Black products have a 90 day warranty on the painted surface. Any defects resulting from faulty material or workmanship will be warranted by Putco and repaired or replaced at our discretion.
