

IMPORTANT

Thank you for purchasing Rigid Industries' products for your vehicle. Installation is fairly simple with the right tools and good mechanical abilities. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through all of these instructions and tips before proceeding with installation.

Always disconnect any power sources connected to your vehicle before servicing fuses or electrical systems.

WARRANTY INFORMATION

Rigid Industries warrants that this product will be free from defects in material and workmanship. If you believe your Rigid Industries product is defective, it must be returned to Rigid Industries for inspection by our warranty claims department. If, after inspection, Rigid Industries verifies that the defect was not caused by negligence, abuse, unauthorized repair or disassembly, Rigid Industries will determine whether the product will be repaired or replaced in accordance with Rigid Industries Limited Lifetime Warranty*.

Warranty Periods:

- All LED Lights – Limited Lifetime
- Flashlights – 1 year
- Accessories and Mounts – 2 years
- Batteries – 90 days

Warranty Coverage:

To begin your warranty claim, you must have a Return Merchandise Authorization (RMA) number. To get your RMA number, please contact our warranty department by phone at 480-655-0100 ext. 1008, or by filling out the Return Merchandise Authorization Form on our website.

All of the following will immediately void all warranties:

- Customer negligence – The customer has modified the light and/or is not using it for the recommend application.
- Customer abuse – Damage to the light beyond normal wear and tear.
- Repair work done by unauthorized personnel without Rigid Industries' approval.
- If the light has been opened or any screws have been removed.

All warranties are non-transferable. Warranty terms and policies are subject to change without notice.

*For all information regarding the Rigid Industries' Limited Lifetime Warranty please call 855-760-5337 ext. 1008, email warranty@RigidIndustries.com, or visit our warranty page online at RigidIndustries.com/about/warranty.

Rigid Industries, Rigid, SR-Series, SR2-Series, E-Series and E2-Series are registered and/or unregistered trademarks of JST Performance, Inc. d/b/a Rigid Industries. IS-46506 REV2

Passenger Side Mounting Bracket (1)
Mount Bolt (4)
Mount Washer (4)
Mount Nut (4)

INSTRUCTIONS

Figure 1

1. Mount brackets in opening in front bumper using provided nuts, bolts, and washers as shown in Figure #1. Keep all bolts loose at this time so that you can bend the brackets outward and insert your light.
2. Once both brackets are loosely installed, insert your light(s). If you are mounting one 20" E-Series or E2-Series light, use the center hole location on both brackets. If you are mounting two 20" SR-Series or SR2-Series lights, use the two outer hole locations on both brackets. Loosely tighten nuts on both end cap studs as shown in Figure #2. Do not fully tighten at this time.

3. Access the two brackets from above as shown in Figure #3 to fully tighten all four mount bolts.
4. Adjust the light(s) and fully tighten the nuts on the end cap studs.
5. Wire your lights according to the instructions included with the light(s). Take care to avoid any heat sources and sharp or abrasive surfaces.

Your installation is now complete.
