2. Remove the lower bolt from behind cross member that secures the steering column housing to the frame. Place Bracket (A) inside frame as shown. Install the 7/16 x 2" bolt through the washer, bracket, frame, and screw into steering column housing.
3. Attach stabilizer to bracket (A) and bracket (B).
4. Extend stabilizer shaft out exactly half way. Install bracket (B) against the front of the tie rod assembly. Fasten using u-bolts provided.

JESUS CHRIST DIED FOR YOU

John 3:16

For God so loved the world that He gave His only Son, so that everyone who believes in Him should not perish, but have everlasting life.

Romans 3:23

For all have sinned; all fall short of God's glorious standard.

Psalms 18:2

The Lord is my Rock, my fortress, and my savior; my God is my Rock, in whom I find protection. He is my shield, the strength of my salvation, and my stronghold.

STEPS TO ACCEPTING JESUS CHRIST AS YOUR PERSONAL SAVIOUR

God, I come to You admitting I have sinned against You and I need you to take control of my life. The Bible says anyone who calls on the name of the Lord will be saved. I am calling on You, Jesus. I ask that You come live in my heart and be the Lord over my life today. I do believe You died on the cross for me and came back to life to give me life!

Romans 10:9-10 says that if I confess with my mouth that Jesus is Lord and believe in my heart that God raised Him from the dead, I will be saved. Because it is by believing in your heart that you are made right with God, and it is by confessing with your mouth that you are saved.

Thank You, Lord Jesus for a new life in You!
Now, go and tell somebody about your
new life in Jesus.
