

Instruction Sheet
ADJ. UCA - W/ROD ENDS
ADJ. 8-1/2" TO 10"
W/GM FULL SIZE PLATE

This part should only be installed by personnel who have the necessary skill, training and tools to do the job correctly and safely. Incorrect installation can result in personal injury, vehicle damage and / or loss of vehicle control.

SPC Performance Pro Series **Part No. 92054 - ADJUSTABLE UPPER CONTROL ARM** - upper control arm lengths can be adjusted from 8-1/2" to 10". The arm accepts the standard **SPC Performance Ball Joint - Part No 94004** or Moog K6042, or equivalent, bolt in style ball joint.

Figure 1

Adjusting the Arm: Slightly loosen the pivot bolt (see diagram). Loosen the jam nuts on both ends of each adjusting tube (The ends closest to the rod ends are left hand thread). Turn the adjusting tubes to lengthen or shorten the arm. After you have adjusted the arm to the desired length, tighten down the jam nuts against the adjusting tubes, and then tighten the pivot bolt to 60 lb-ft of torque. **There should never be more than 1" of thread showing past the tightened down jam nuts on the ball joint end of the adjusting tubes, and never more than 1/2" of thread showing past the tightened down jam nuts on the rod end side of the adjusting tubes.**

There is no warranty stated or implied due to the inability to monitor the part's modification, installation, and use, except that Specialty Products Company warrants its products to be free from defects in material and workmanship for 90 days after purchase under normal use. In that case, parts returned must be determined by Specialty Products to be defective and Specialty Products's obligations under that warranty are solely limited to repairing or replacing, at its option, any part proven defective.

Final determination of the suitability of the parts for use contemplated by the buyer is the sole responsibility of the buyer. Specialty Products Company shall not be liable for any special, direct, indirect, incidental, or consequential damages that might be claimed as a result of the failure of any part, including claims for delay, loss of profits or labor. Specialty Products Company shall not be liable for any damage or injury to persons or property resulting from improper installation or misuse of any part subject to this warranty. There are no other warranties expressed or implied extending beyond those set forth above.
