

A front view of a TRX RC car with a blue and orange camouflage pattern. The car has a black front bumper with the TRX logo, two headlights, and a grille. It has four large black tires with a tread pattern. The car is shown from a front perspective, highlighting its width and height. Dimension lines are present: a vertical line on the left indicates a height of 7 inches (178 mm), and a horizontal line at the bottom indicates a width of 12.25 inches (311 mm).
